

GENERAL CALL OUT TO ALL MEMBERS OF INUKJUAK

You are looking for a full-time job, an internship, a student job or simply a new challenge?

Did you know that:

- The Innavik run-of-river hydroelectric project is now hiring!
- The maintenance of the facility will be done by a team composed of a supervisor, an operator and an assistant-operator that you could be part of?
- If you don't have all the required necessary skills, it could be possible for you to be supported and trained in this field.

Our employees are people who:

- Demonstrate an interest in hydropower and electricity;
- Want to learn more about renewable energy;
- Enjoy doing manual work and are resourceful;
- Act safely at all times;
- Work in confined spaces;
- Are available to work overtime and be on call when required;
- Seek challenges;
- Have the opportunity to take continuing technical training;
- Are accompanied in learning French, if necessary.

Would you like more information?

Send us your name and phone number to info@innavikhydro.com
